

IPSCA District #7 Presents:

2 CE

Adaptability, Salutogenesis and Epigenetics in Chiropractic

Moline IL

February 7, 2018

How chiropractic is part of a health care paradigm as opposed to a disease care paradigm. The presentation will include how chiropractic affects adaptability, salutogenesis and helps people adapt to their environment (epigenetics).

Contact Dr. Rick Burns 309.755.4400 or Dr. Harvey Jack 309.762.5225 for additional details.
